Subject: AZ America Water Rate Increases and Consolidation

**Hello,**

**As a 25+ year resident of SUN CITY AZ, I am writing to voice my strong opposition to the proposed Water and Waste Water Rate consolidation as well as the proposed increases in Rates. We residents of SUN CITY already live on very fixed incomes**

**and will be very negatively affected by not only increases in our own water and waste water increases but also by the effect it will have on our Non Profit RCSC as well.**

**We in Sun City had our own wells that are some of the cleanest water in the area. When we had AZ American take over, we were told we would always be our own area and rates could be kept low because of this quality. Consolidation would put us in with districts/areas that do not have the this quality . PLEASE DO NOT allow this consolidation of Sun City with other areas and PLEASE DO NOT allow these rate increases.**

**Thank you!**
